

You Have Five Months to Live!

What if you were to go to your doctor tomorrow, to get the results of a routine test of some sort, expecting everything to be normal, but instead you were told that you have five months to live? You'd be shocked, dismayed, upset, maybe even panicked, wouldn't you? That's not a particularly pleasant pronouncement to hear, is it?

Do you realize that collectively we ARE hearing that, or something similar? Our once great nation is dying from a disease as deadly as cancer.

What are the symptoms? There are too many to be listed here in this limited space, but there are some we can describe, any one of which is shocking. I quote from those who say it much better than I can.

"Combatting Our Homegrown Enemy", by Ed Thompson, American Thinker, 6/11/24.

"There is a War on America. This isn't a threat of nuclear missiles from some foreign adversary like Russia or China. It is not about the Ukraine, Gaza, or Taiwan. This war rages right here on American soil and is being fought by home-grown and sometimes hidden armies dedicated to destroying all that is right and good for America and frankly, the rest of the planet . . . The homegrown enemy are not foreigners, although the open border may provide millions more recruits to the cause. No, this army was trained right in our universities and schools. You are paying for your own destruction. . . ."

"Over the past four years we have been subjected to severely altered and unreliable elections . . . forced to take an unproven shot, forced to cover our faces and stand six feet apart, forced to stay in our homes, all based on lies and exaggerations . . . force fed lies by the mainstream media . . . while the government censors the truth. The national debt clock spins out of control while . . . inflation drives more Americans into poverty."

Three A.M. And Seven Minutes to Armageddon – Can Biden Be Trusted? by Allan J. Feifer, AT, 6/13/24.

"Putin [Russia] and Xi [China] believe there is no better time to try to decapitate the American government than now . . . the attackers would have made their calculations based on the belief that Biden would not be mentally able to assess the situation and react within the required time . . . we would ride it out with Washington and other critical installations wiped out."

" . . . Russia is fielding a new first-strike weapon system, Poseidon . . . this nuclear-powered and armed torpedo (the size of a school bus) would have the potential to devastate a coastal city, cause radioactive floods, and result in millions of deaths. . . there is growing evidence that Russia has launched or is about to launch a new satellite armed with a nuclear weapon to destroy our satellites in orbit, another first-strike weapon designed to blind us."

The West's War on Critical Thinking by J.B. Shurk, AT, 6/20/2024.

"What does it say about a civilization that generally requires young people to spend thirteen or more years in public school systems engineered to produce mediocre minds? It should set off alarm bells! When governments are in the business of

dumbing down citizens, they are investing in future generations who will be obedient slaves. . . . Schools, like penitentiaries, are institutions for corralling large numbers of humans together, so that a mixture of indoctrination and punishment can be efficiently administered until most learn to 'behave.'"

Not mentioned in the above are the additional factors of our loss of morality and the acceptance, or actual promotion of baby murder (abortion), transgenderism and gay "rights", the sellout of many churches, the culture of self-gratification and self-centeredness, and much more.

So then, what does it mean to say "You have five months to live."? What happens in five months, on November 5, to be precise? What is scheduled to happen is the national election. But will it? For a while, I have doubted that we will even have elections by that time.

The far-left ruling class, who will do anything to maintain their wealth and positions of power, have tried everything and anything to dislodge Donald Trump from his position as President or the candidate of common sense and of the people. They hate his agenda of lower taxes, American productivity and self-sufficiency, closed borders and vetted immigration, a strong military, and American greatness (MAGA!)

Yes, they succeeded in labelling him a convicted felon, but on entirely phony, trumped-up charges that will not hold up on appeal. If anything, all the efforts to get rid of Trump have served only to intensify the commitment of his followers to his cause, with their support and money. He could well be elected even as a "convicted felon", much to the ruling class's chagrin (and worse).

In AT (6/14/24)

D. Parker writes, "What can they possibly do in the face of certain defeat and no other options? . . . would it be that much of a stretch to forward the possibility of 'temporarily postponing' the election 'for a few weeks' in the face of a 'serious crisis'? Anti-liberty leftists are masters at lying with language. . . . The soft language of hard tyranny will be the start, followed by a full-court press from the nation's socialist media – couching this idea in terms of 'patriotism!'"

Most thinking people know that our nation is in serious trouble spiritually, morally, and politically in both domestic and foreign affairs. The patient isn't dead quite yet, but the United States as founded is on life support.

We've called the Doctor (Almighty God) in to revive the patient. The Doctor looks at the patient skeptically and then asks him, "Do you want to be healed of your illnesses? Are you willing to let Me heal you, which means listening to what I say, obeying my orders, surrendering to what I know is best for you?"

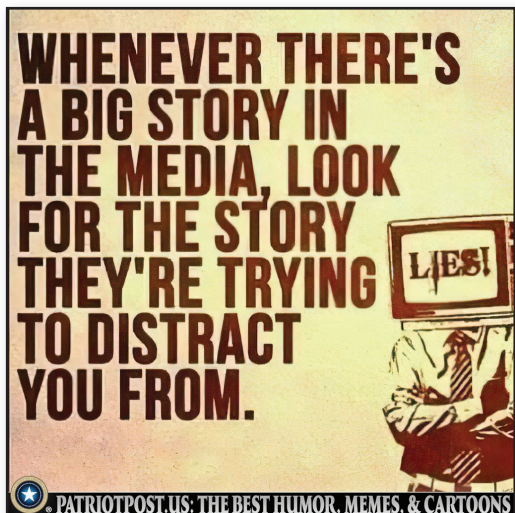

So far, the patient hasn't answered, and his prognosis is not good. It looks like maybe the patient's citizens will have to follow the Doctor individually, while praying for the patient's revival.

We have five months to live as a nation, or at least to see what direction we take after November 5.

Daniel's Prayer for a Sinful Nation

Daniel 9:3-19

So I turned to the Lord God and pleaded with him in prayer and petition, in fasting, and in sackcloth and ashes.

I prayed to the LORD my God and confessed:

"The LORD, the great and awesome God, who keeps his covenant of love with those who love him and keep his commandments, we have sinned and done wrong. We have been wicked and have rebelled; we have turned away from your commands and laws. We have not listened to your servants the prophets, who spoke in your name to our kings, our princes and our ancestors, and to all the people of the land.

"Lord, you are righteous, but this day we are covered with shame—the people of Judah and the inhabitants of Jerusalem and all Israel, both near and far, in all the countries where you have scattered us because of our unfaithfulness to you. We and our kings, our princes and our ancestors are covered with shame, LORD, because we have sinned against you. The LORD our God is merciful and forgiving, even though we have rebelled against him; we have not obeyed the LORD our God or kept the laws he gave us through his servants the prophets. All Israel has transgressed your law and turned away, refusing to obey you.

"Therefore the curses and sworn judgments written in the Law of Moses, the servant of God, have been poured out on us, because we have sinned against you. You have fulfilled the words spoken against us and against our rulers by bringing on us great disaster. Under the whole heaven nothing has ever been done like what has been done to Jerusalem. Just as it is written in the Law of Moses, all this disaster has come on us, yet we have not sought the favor of the LORD our God by turning from our sins and giving attention to your truth. The LORD did not hesitate to bring the disaster on us, for the LORD our God is righteous in everything he does; yet we have not obeyed him.

"Now, Lord our God, who brought your people out of Egypt with a mighty hand and who made for yourself a name that endures to this day, we have sinned, we have done wrong. Lord, in keeping with all your righteous acts, turn away your anger and your wrath from Jerusalem, your city, your holy hill. Our sins and the iniquities of our ancestors have made Jerusalem and your people an object of scorn to all those around us.

"Now, our God, hear the prayers and petitions of your servant. For your sake, Lord, look with favor on your desolate sanctuary. Give ear, our God, and hear; open your eyes and see the desolation of the city that bears your Name. **We do not make requests of you because we are righteous, but because of your great mercy. Lord, listen! Lord, forgive! Lord, hear and act!** For your sake, my God, do not delay, because your city and your people bear your Name."
